

1 / 4

FIG. 1

The drawing consists of two views of a mechanical assembly. The upper view is a cross-section showing a central vertical shaft (11) passing through a housing (19). The shaft is supported by two sets of bearings (20) with seals (21). A curved arm (12) is attached to the top of the shaft, with a tip (16) pointing towards a horizontal plate (17). A vertical rod (13) is also shown, with a tip (15) at the bottom. The lower view is a perspective view of the assembly, showing the shaft (11) and the curved arm (12) in more detail. The shaft is labeled 10, and the curved arm is labeled 22.
